This section should reflect the external processors (suppliers and systems) or joint processors you have detailed in your RoPA (Risk of Processing Activities), where pupil/family information is shared. Examples to include are:

Your MIS, Safeguarding system, Communication system, Payment system (inc. Catering Payment system), Progress Checking/Assessment Tracking system, IT Provider, Cloud storage, Microsoft, Google Classrooms, Website, Accident system, Booking systems (e.g., parents evening), Curriculum Programmes e.g., Learning platforms, Homework, Library, School Photographer, Social Media, Alternative Provisions, Trips, Careers Advice, Exam boards etc.

If you also detail what the systems are for, this may help prevent future questions. Note that, this list is dynamic and will keep changing as your school develops.
