

All about your Teacher and Teaching Assistant

Hello, my name is Mr Brazier and I am the Adventurers class teacher and one of the Assistant Headteachers at our wonderful school. I have been teaching now for 15 years and absolutely love my job. If you have any questions I will always make time to answer them for you – we very much have an open door policy at Eureka and we believe passionately that helping your child learn is a partnership between home, school, clubs and the wider community. I have lived in the area all my life and attended Eureka as a child so it has a very special place in my heart.

I am married and we have two children named Samuel and Ellie. Samuel is seven and Ellie is six. We also have a very naughty cat who is named Bella.

My hobbies include football, running, walking, computer games, reading, music and Lego. I love to get outdoors and the Peak District is my favourite place in the world. I run the school's football and cricket teams and enjoy taking them to different competitions.

I am so excited to meet all of you and I am eager to get our 2025 - 2026 adventure started with you all.

Hello, my name is Ms Sherriff and I am the specialist EYFS teaching assistant in the Adventurers class. I thoroughly enjoy my role in Adventurers, supporting the youngest of our children as they begin their time in school and develop those essential foundation skills with us. If ever you have any questions I am always happy to help, if I don't know the answers I will always be happy to find out for you.

I have two children, one at secondary school and one completing an apprenticeship. In my spare time I love nothing more than to get lost in a good book! I also enjoy crafts such as cross stitch and spending time in our garden.

I would like to wish you and your child a warm welcome to Eureka and look forward to meeting you soon.
