Weekly Update and Information

Hi All

I hope you have had a good week and all is well. It has been very busy at Eureka with lots of learning going on and the children have been brilliant with the changes throughout the week re spaces to play outside and classrooms etc.

Investigators and Enquirers are now in the new build, which is great. They are very much enjoying the space and the 'newness'.

Next week, construction on site is focussed on the main playground. This means that the whole space will be fenced off, with only the ramp path outside Thinkers classroom being the access to the main school.

Explorers class need to enter and exit school through the car park next week. Miss Baker will be in the car park in the mornings for drop off and take the children into the car park at the end of the school day. Parents / Carers are to come up into the car park for drop off (the children will access their classroom through the hall) and wait in the car park at the end of the day please.

Thinkers class are to enter and exit school as usual but please be very mindful of the lack space. If there is something that needs to be discussed with Miss Nickless, please email thinkers@eureka.derbyshire.sch.uk or speak to Miss Hurt on the gate. This will save time and space and ensure everyone's safety.

Parents mornings for Investigators and Enquirers are on Tuesdays this term, they start next week, Tuesday 22nd September, 8.45 – 9.00am.

Next Friday, 25th September, is our annual Macmillan Coffee morning, 9.00 – 10.00am. It would be lovely if you could join us for a cuppa or two and some delicious cake, raising money for a great cause. If you would like to bake or donate any cakes for this event, that would be most appreciated. Please remember we are a NUT FREE school. Any baked / donated cakes can be brought into school at the end of the day next Thursday or Friday morning.

Attached to this email is our first Inclusion Newsletter of the year from Mrs White, our SENDCo. It provides valuable information about details to contact us if you have any concerns (this does not have to be just for those children with a learning need or diagnosis); how we can support and what our focus is for the year.

Have a lovely weekend; look after yourselves. We will see you on Monday, at 8.45am.

Kind regards
Miss Hurt
