Weekly Update and Information

Hi All

I hope you have had a good week and all is well with you and your family.

Next week, there is no choir. The football after school clubs are on next week.

We are looking forward to seeing you all next week at our parents' evenings on Tuesday and Thursday. If you haven't organised an appointment yet with your child's class teacher, there is still time. As usual, there will be your child's / children's books in the hall for you to be able to look through.
Due to the timings of these appointments, Miss Beatty's and Mr Thompson's appointments will be hosted in the main school building. The meetings in March / April 2027 will be in the children's classrooms in the new build.
Miss Beatty will host her parents' evenings in the old Investigators classroom and Mr Thompson will host his in the staff room. Books will be in the hall.

There is a free webinar for parents / carers of children aged 5 – 13, hosted by National Numeracy in partnership with NRICH. The webinar is 'Maths at Home – Talking about numbers together' and is on Tuesday 3rd November at 7.00pm. It is a relaxed and friendly session, exploring simple, enjoyable ways to support your child's confidence with numbers and maths through everyday conversations, play and family activities. You do not need any maths knowledge or expertise to join this webinar.
To register, click **here** . A joining link will be sent to you closer to the event, so all you need to do is sign up and add it to your calendar.

Please return Christmas Dinner slips so we can ensure the kitchen are informed and they can sort the orders for the food.

Adventurers, Thinkers and Explorers have their parent afternoon on Monday, 2.30 – 3.10pm. You can come into your child's class and share in an activity with them.

Have a lovely weekend, look after yourselves. We will see you on Monday, at 8.45am.

Kind regards
Miss Hurt
