Zoom Calls: Spring 2021

Writing is our focus for supporting children because the targets for achieving age related expectations at the end of the year are lower across school in comparison to Reading and Maths, plus it is the weaker subject completed in home learning.

The focus for these teaching sessions will be each year group's specific basic skills using Focus Non-Negotiables.

There will be one Zoom call per week. The learning will be completed in the session and it is in addition to the week's learning.

SEN children who already have a Zoom programme are not included.

Reception = 20 minutes

Years 1, 2, 3 & 4 = 30 minutes

Year 5 & 6 = 40 minutes

Friday Zoom call to catch up and celebrate the week's learning.

Class Bubble(s) Self-Isolation / School Closure

- ✓ For Reception children in Adventurers, their learning will be set through Tapestry. There will be a weekly choice board and a daily activity, covering the EYFS curriculum.
- ✓ Phonics will be set for Reception, Year 1, Year 2 and any other children who require this.
- ✓ Learning will be uploaded at 9.00am every day.
- ✓ Learning will be completed in Google Classroom. This will be on a task sheet / Google doc / using DocHub in Google Classroom OR in the Home Learning exercise book.
- ✓ If learning is completed in the Home Learning exercise book, this will need to be photographed and returned (uploaded) daily through Tapestry, Google Classroom or the class email.
- ✓ Learning needs to be returned (uploaded) daily, by 3pm.
- ✓ Learning will be marked and feedback given on the day returned or the next day through Google Classroom. Some learning will require an improvement and will need to be handed in again.
- ✓ 'Live' teaching will be through ourselves, Oak Academy, White Rose Maths and BBC Bitesize.
- ✓ ALL children will be given a Home Learning exercise book and can choose to complete their learning in it; it will include non-negotiables / expectations for presentation etc.
- ✓ Children's writing and class Zoom call times are in this document.
- ✓ Zoom links for writing and class calls will be sent via ParentMail.
- ✓ Video recordings and written guides for how to access and use Tapestry and Google Classroom and Zoom are on our website.

Worksheets DO NOT need to be printed out.

Other programmes, such as Word, DO NOT need to be used.
