

Message from Chair of Governors

As we reach the end of another busy and rewarding school year, I am delighted to share some highlights and reflections on behalf of the governing body.

Our Year 6 pupils performed exceptionally well in their SATs, and we are incredibly proud of their achievements. Their hard work, determination and resilience have paid off and they leave us prepared for the next stage of their education. It has also been wonderful to see progress across all other year groups, with pupils showing enthusiasm for learning and a commitment to achieving their potential. A heartfelt thank you also goes to the dedicated staff who work tirelessly to support our children in reaching their full potential.

Like many other schools, Eureka has had to carefully consider its spending priorities and navigate the complexities of a tight budget. Every financial decision we have made has been guided by one priority: what is best for our pupils, our staff, and the wider school community. I am proud of the way our headteacher, our leadership team and governors have worked together to ensure that the quality of education and the wellbeing of everyone in our school remain at the heart of our planning. We remain confident in our financial planning and optimistic about the future.

The long-anticipated new build is now within reach, with just a few final pieces of paperwork to complete. We have made many key decisions to move this exciting project forward and we are eager to see this vision become a reality. While we anticipate some disruption during this transition, the school will gain a modern, inspiring learning environment that will make it all worthwhile.

It is always encouraging to see such strong engagement from our parents and carers throughout the academic year at various events and meetings. As a governing board we also recognise that our staff at Eureka are dedicated, professional and passionate about teaching and learning. Together, we have and will continue to achieve a great deal. We are very much looking forward to an exciting year ahead.

How to contact your Governing Board
