## **Weekly Update and Information**

Hi All

Happy new year! I hope you all had a wonderful Christmas and a lovely break.

Apart from the weather and flooding going on this week, we have had a great first week back. Spring term is very much a term of learning and progress, which we are sure the children are going to enjoy and achieve. We are excited to have our new maths programme in place, 'Mathletics'. The children will be using this in maths lessons as well as for home learning too.

Next Thursday, 16<sup>th</sup> January, there is meeting for Year 6 parents / carers after school. This is to discuss the statutory assessments Year 6 take in May and how we are supporting and preparing the children for these. The meeting is in the Enquirers classroom, starting at 3.20pm.

On Wednesday 29<sup>th</sup> January, at 9.00am in the hall, it will be Explorers class assembly. There will be a limit of two adults per child please due to space.

Attached to this email is our Inclusion Newsletter for this half term. It is informative and includes a date for this half term that you may want to attend.

Have a great weekend and take good care. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
