Weekly Update and Information

Hi All

I hope you are well and have had a positive week.

The new build has started! Outside looks very different and progress is being made. The children and staff have been fantastic with the changes we have had to make at break and lunchtimes. They are working really well. The children have given us some feedback and we are working on being able to provide as much outside time and equipment as we safely can. Thank you for providing a change of footwear, it is definitely helping on the rainy days when the field is wet and muddy. We have had to change our fire evacuation procedures and have new fire assembly points and the children were brilliant when we practised the two different ways so we could decide on the most efficient, effective and safest. This is now in place and we will be practising again.

This week's attendance award goes to Investigators with 96.43%.

Those children who have their ears pierced should only be wearing small studs please. Many children are wearing hoop earrings and this is not safe and not school uniform or expectations. Can we please ensure that the children are only wearing small stud earrings to school and that these were not worn on PE days.

Over the next two weeks the children are completing assessments. Your children's achievement will be shared in their one page report that will be coming out at the end of March and discussed in your child's parents evening in the first week back after the Easter holidays.

World Book Day is next Thursday, 5th March. Children can come to school dressed as a book character or something to do with reading, if they / you want to. This is not an expectation and please do not feel pressured to buy a costume / outfit. We will be doing lots to celebrate reading and books and dressing up is just an additional idea for the children to enjoy.

Attached to this ParentMail is this half term's Inclusion Newsletter. Murphy features, including a photograph, as well as some useful resources to support you and your child.

Have a lovely weekend, take good care. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
