## Weekly Update and Information

Hi All

I hope you have had a good week and all is well.

The children looked fantastic yesterday in their World Book Day costumes. We had so many different characters, themes and books. Our assembly focussed on reading for pleasure; finding the fun in reading and how we can help ourselves to do that!

Next week we have British Science Week. We will have an assembly with this year's theme: 'Curiosity: What's Your Question?' We will be asking questions about the world, about science and finding out about STEM careers that focus on scientific questions, such as geologists, aerospace engineers and zoologists!

This week's attendance award goes to Investigators with 98.02%.

Snack at breaktimes needs to be healthy please. Fruit, vegetables, yogurt pouches, cereal bars etc are all fine. Crisps, biscuits, chocolate and sweets should not be eaten at breaktimes. Please remember we are a NUT FREE school.

On Tuesday 17<sup>th</sup> March, at 9.00am, we have Derbyshire Parent / Carer Voice in school along with Mrs White, our SENDCo, and representatives from the local secondary schools. This meeting is for parents / carers in Years 5 and 6, who would like to hear about and discuss transition to secondary school. Please attend this meeting if you are especially concerned about your child and secondary school and if there are any anxieties / concerns you or your child may have.

Have a great weekend, look after yourselves. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
