## **Weekly Update and Information**

Hi All

I hope you have had a great week and all is well with yourselves.

It's been a productive week with poetry, multiplication, the World, reading and lots more learning. It has been enjoyable to be back outside every day having some fresh air and a good run around.

Through the year, we are going to be trying out different ways to have parents / carers into school to spend time in class and share in the learning. For this half term we are keeping Parent Mornings the same for KS2. Starting next week, these will be on Tuesday mornings, 8.45 – 9.00am for Explorers, Investigators and Enquirers. There won't be the weekly Friday afternoon session for Adventurers or Thinkers. For these two classes, we are inviting parents / carers in for a longer session on Friday 7<sup>th</sup> February, 2.30 – 3.15pm, to be in class and complete an activity and share in the learning the children have been doing. We are hoping that this will be a more productive and enjoyable time for all.

Mr Brazier launched a competition with the children in Wednesday's assembly. He will be informing you about this later via ParentMail and our Facebook page.

Have a lovely weekend and look after yourselves. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
