

Friday 20th March 2026

Weekly Update and Information

Hi All

I hope you have had a good week and you are well.

It has been lovely outside this week at break and lunchtimes. Due to the build on site, we have had to change where we play and it wasn't quite working so have had a new system this week, which has worked brilliantly. It has been fantastic outside today, with all of the children playing together in their areas and getting on great. We have had a lovely day!

Thank you for the donations to Red Nose Day. We have raised £110.57, which will make a difference to the lives of others. Your donations are very much appreciated.

This week's attendance award goes to Thinkers with 98.67%.

Next Wednesday, 25th March, it is Explorers class assembly. This is at 9.00am, in the hall. Two adults per Explorers child please due to space.

Next Thursday, 26th March, it our special achievement assembly. For those parents / carers who have received an email about their child receiving an award for this half term, the assembly is at 9.00am. A maximum of two adults per child please.

Please return your parents' evening slip as soon as possible so dates and times can be organised and you can be given this information before we break up.

On Thursday next week, your child will bring home their one page report. This will inform you about their current achievement and attributes to learning. This report will be part of your parents' evening discussion.

Next Friday we say our goodbye to Mrs Day, who has been supporting in our office on Fridays for a number of years. Mrs Day is retiring and we wish her all the best with her next adventures.

The children break up next Thursday, the 26th March is their last day. Staff are in school on Friday for an INSET day.

Have a great weekend, look after yourselves. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
