Weekly Update and Information

Hi All

I hope you are well and you are looking forward to the Easter holidays.

We have had a positive half term. The children have been great with break and lunchtimes and how they have adapted, and continued to adapt, with the outside space. The new build on site is progressing well. Excitedly, the actual building is being delivered over the break and we will return to school with the new three classroom block in place.

This week's attendance award goes to Investigators with 98.81%.

The Explorers class assembly was super this week. There was so much learning shared and the children did themselves proud.

One page reports are coming home today. These will be discussed at parents' evenings. If you haven't returned a slip and booked your parent's evening appointment, please do this when we return after the Easter break. We really encourage you to attend and look at the learning in your child's / children's books and talk with their teacher about their achievements and progress.

The children break up today. Staff are in school tomorrow for an INSET day.

Have a wonderful Easter break, please take good care. We look forward to seeing you when we return on Monday 13th April, at 8.45am.

Kind regards, Miss Hurt
