Weekly Update and Information

Hi All

I hope you are good and you have had a positive week.

We have had a great last day of this half term...the children do love a YES DAY! Tasty snacks have definitely been enjoyed today, with lots of smiles. Thank you for your donations, we have raised £81.90, and it is very kindly received.

This week's attendance award goes to Thinkers with 96.37%.

We have completed Travel Smart week this week, recording how we have come to school each day. Thank you to all the parents / carers and family members who came on the nature walk with Adventurers and Thinkers yesterday. I think some would call it a trek not a walk!!!

The entries for the handwriting competition are fantastic. Prizes will be given after half term.

The weather is getting hotter over the next few days, which we all want to enjoy. Attached to this ParentMail are a couple of information posters: 'Beat the Heat' and 'Stay Cool and Well – Simple tips for Hot Weather' that have some great advice.

We break up for May half term today. Monday 1st June is an INSET day. The children are not in school but staff are.

Have a great break, enjoy the amazing weather we are expecting, and take good care. We look forward to seeing you on Tuesday 2nd June, at 8.45am, for our last half term of the academic year!

Kind regards, Miss Hurt
