Weekly Update and Information

Hi All

I hope you are well and you have had a positive week.

We have had a busy week with some year groups doing their assessments this week. We had a great assembly for the whole school yesterday. South Derbyshire District Council came into school and talked to the children about food waste and how we can help with putting our food waste in the new bins in school and the caddy at home.

This week's attendance award goes to Thinkers, with 99.33% attendance.

There will be no parent morning for Investigators only next week due to their school trip.

Can we please ensure that children are coming to school in their PE uniform only on the days they have PE please. We do appreciate that this time of year, children may have grown out of uniform or school shoes and you are not purchasing new until the new school year, which we agree with. However, there are many children who are wearing trainers every day or their PE uniform on days when it should be school uniform, this also includes jewellery, which should not be worn. Those children with long hair, must have their hair tied back for PE lessons please. It's a good idea to have a bobble kept in their tray / school to always be able to use for PE lessons.

It is important to us to gather the views of parents / carers to ensure that we are providing the best education, provision and support to your child and you. Your views and opinions are important and help to shape our development and improvement, and also celebrate all that we are achieving. We are asking if you would kindly complete a questionnaire and provide any comments, positively or for us to improve or consider. You can complete one for your family or one for each child if any of your responses are different. There are 12 tick box statements and a comments box (we would really appreciate any comments please). The questionnaire should take no longer than a few minutes. A response from each of you would be most appreciated.

Here is the link: [Parent / Carer Questionnaire June 2026 – Fill in form](#)

Have a lovely weekend and take good care. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
