## Weekly Update and Information

Hi All

I hope all is good with you and your family.

Another busy week has been had! Assessments have been finished and children have been working hard. Investigators had a fantastic time on their trip to Derby Arena where they had the pleasure of watching and listening to an orchestra. They also played the flute and sang with other schools. The flute has been the instrument they have been learning to play all year. Having the opportunity and experience to play the flute within an environment with others and an orchestra is amazing.

Investigators will be sharing their music and flute playing in an assembly on Thursday 2<sup>nd</sup> July, 9.00am in the hall. Investigator parents / carers are invited to this, two adults per child please.

We are very pleased to announce we have achieved the Silver School Games Award for 2025 – 2026 as a school. We were Bronze last year so it's a great achievement of gaining the Silver award this year.

This week's attendance award goes to Explorers, with 98.15% attendance.

It is Thinkers class assembly next Wednesday, 24<sup>th</sup> June, at 9.00am in the hall. Parents / carers are invited to watch, with two adults maximum per child please. There will be a meeting immediately following the assembly re information about next year. For any parents / carers who can't attend the assembly then a meeting will also be held after school on Thursday 25<sup>th</sup> June (you do not need to attend both meetings).

Film and pyjama evening letters have been sent home. Please return the slip as soon as possible if your child is going to attend.

Thank you to all of the parents / carers who have completed the questionnaire so far. If you haven't yet, we really would appreciate a few minutes (it really doesn't take that long to complete) of your time to complete it please. It is important to us to gather your views to ensure that we are providing the best education, provision and support to your child and you. You can complete one for your family or one for each child if any of your responses are different. Here is the link: [Parent / Carer Questionnaire June 2026 – Fill in form](#)

The Government have a Summer Savings campaign for you to enjoy. Three new measures come into effect this summer to reduce the cost of days out, travel and getting around for families with children:
