## Weekly Update and Information

Hi All

I hope you have had a positive week and you have enjoyed the sunshine! It has been lovely at break and lunchtimes this week.

We have been busy in our learning across school: lots of learning through play outdoors and how to use a keyboard in Computing in Adventurers; learning about God and the teachings in the bible in Thinkers; using torches and investigating reflection in Explorers; exploring creating texture in drawing using different pencils in Investigators and in Enquirers, they have been discussing and learning about prejudice and discrimination.

There is a phonics meeting for Year 1 parents / carers straight after school on Tuesday, 6<sup>th</sup> May, in Thinkers classroom.

Please can you write your child's name in their jumpers / cardigans. With the warm weather, we have many jumpers / cardigans that have been taken off and we do not know who they belong to...the pile is getting bigger by the day!

Many children are coming to and from school on bikes and scooters, which is great. When arriving at and leaving the school grounds, children must walk with their bike / scooter, not ride them. This is for the safety of all. A lot of children have to be reminder of this, some on multiple occasions, and we do not want to stop any child from coming to school with their bike / scooter but the safety of all is the priority.

It is a Bank Holiday on Monday so we have a long weekend and a shorter week next week!

Have a lovely extended weekend and look after yourselves. We look forward to seeing you on Tuesday, at 8.45am.

Kind regards, Miss Hurt
