## **Weekly Update and Information**

Hi All

I hope all is well with you and your family.

It has been a lovely last week of the half term. Seeing the PE lessons and art work around school has been great. The entries for the art competition are amazing – well done to those children who entered, you were really creative in your designs!

Our Parent Group have raised money to purchase some equipment for break and lunchtimes; the children have shared their ideas of what they would like to play with and this will be available next half term.

Thank you to those parents / carers who have read the RSHE policy and completed the short Microsoft Form with feedback. The comments have been great so far and are really helpful in shaping the curriculum. Please read the policy and complete the form, your feedback is important to us.

When the children return to school after half term, there will be an assembly re the sports clubs on offer. We are adapting the way the clubs are paid for and places given. Letters will be sent home and then a short time given for slips to be returned. The slips will then be put together and chosen at random for the number of places per club. The children who have places will then be informed and the club will need to be paid for via ParentPay. Hopefully, this is a fairer way of places being allocated.

On Friday 6<sup>th</sup> June, the photographer is in school for Reception and Year 6 children.

Monday 2<sup>nd</sup> June is an INSET day. The children are not school but staff are.

Have a wonderful half term break. Take good care of yourselves. We look forward to seeing you on Tuesday 3<sup>rd</sup> June, at 8.45am.

Kind regards, Miss Hurt
