Weekly Update and Information

Hi All

I hope you are well and you have had a positive week.

We have had a much better week in school this week with the children working well in class, despite the heat, as well as having positive break and lunchtimes. It has been lovely to see the children playing and being kind to another.

Investigators were great in their class assembly this week, which was created by them. They packed in so much of the learning they have covered and shared some fab writing and art work. Adventurers and Thinkers had a fun parent / carer afternoon on Wednesday with boat making and blind taste testing!

Today, the children will be bringing home their annual school report. These inform you of their achievements this year and reasons to be proud. On Monday, 14th July, there is opportunity for you to pop into school after 3.15pm if there is anything you wish to discuss with your child's class teacher about their report.

Next Thursday is sports day. Adventurers and Thinkers are 9.00 – 10.00am and Explorers, Investigators and Enquirers are 10.15 – 11.15am. Parents / carers will come into school and straight up on to the field. Please remember we are a no smoking site, inside and outside, and this also includes vapes. Can we also please ask that you are mindful of your language, we do occasionally hear swearing at the school gates. The children are to come to school in their PE uniform next Thursday, wearing sunscreen and bringing in a water bottle, filled with water please.

Mrs D'Oyley has had her baby. Malachi Andrew D'Oyley was born on Monday 7th July. Both Mum and baby are doing well. He is definitely a cutie!

Have a lovely weekend and take good care. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
