Weekly Update and Information

Hi All

I hope all is well with you and your family. We have had a good, positive week in school with lots of learning happening. Outside at break and lunchtimes, the children are playing together well. The weather is allowing the use of the field still, which is great.

Well done to those children who completed the Summer Reading Challenge – reading at least six books is amazing!

Thank you to those who donated cakes and money to Macmillan this morning. It was lovely to see those who came, we definitely enjoyed the cakes and tea / coffee all whilst raising money for a great cause.

Please ensure that slips are returned for the Harvest Festival assemblies asap. We can only accommodate one adult per family.

Thank you for the deposits / full amounts for the pantomime and returned slips. This is greatly appreciated.

Next Thursday, 2nd October, we have The Book Bus visiting us! Each class will visit the bus. Mr Brazier will be sending out a ParentMail with further information about this.

School starts are 8.45am, this is when the register is taken. The gates are closed at 8.45am so any children arriving at this time, coming through the gate being held open by myself, are late. In the register, this is recorded as L. Can we please ensure that children are arriving at school in time to be in classrooms for 8.45am.

I hope you have a great weekend, take good care! We very much look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
