## Weekly Update and Information

Hi All

I hope you are well and you have had a positive week.

Thank you all so much for your swift action this afternoon in responding to our ParentMail / text message and picking up your child / children early due to school closure. There is a burst pipe in the local area, which meant we have had no water so couldn't flush toilets, wash hands or drink. I hope if any of you are affected that it sorted soon.

Parents' evenings are on Monday and Wednesday evening next week. Your child's books will be in the hall for you to be able to look through. On Monday evening, we have Compass Changing Lives and Derbyshire Parent Carer Voice in the hall providing information and support. On Wednesday evening, we have South Derbyshire Neurodevelopment Community Hub, Derbyshire Parent Carer Voice and one of our Parent Governors in the hall. Please note that if you would like to speak with any of these but your appointment is not on that night, please do come along on the other night and go into the hall.

On Tuesday afternoon, it is Adventurers and Thinkers parent / carer afternoon. This is from 2.30 – 3.10pm. Please come along and join your child in an activity.

Next week there are road safety workshops for Adventurers and Thinkers; Mercia Academy are in school giving a talk to Year 5 and 6; we have an assembly from UK Parliament and we also have our Special Achievement Assembly (ParentMails have been sent out for those children who are receiving an award for this half term)...it will be a busy week!

I hope you have a lovely weekend, look after yourselves! We very much look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
