Weekly Update and Information

Hi All

Happy new year! I hope you all had a wonderful Christmas, New Year and break.

The snow certainly arrived last night! School has been closed today for the safety of all. The roads were not safe this morning for staff to drive. I hope you are all ok, looking after yourselves and keeping safe. I am sure there was some fun had in the snow this morning!

Parent mornings this term for Explorers, Investigators and Enquirers will be on Tuesday mornings, 8.45 – 9.00am. The date for the parent afternoon for Adventurers and Thinkers will be sent next week.

Thank you to those of you who have already completed the Microsoft form re Eureka potentially having a therapy dog. It is really important to us, before we go ahead with having Murphy in school and purchasing and completing the training, that we do have your views and know if a child has any dog / dog fur allergies and if there are any concerns or worries you or your child / children have. If you haven't already done so, will you please complete the form, it won't take you long (one form per family, you can put in all children on one form), by Tuesday 13th January: [THERAPY DOG – Fill in form](#)

Our school website has been updated and it has a new look! It still contains all of the information you could previously access and we will continue to update it as we always do. Please do let us know if you can't find anything that you previously could, or what you think about it. The link to the new look website is here: <https://www.eurekaprimaryschool.co.uk/>

Please find attached our half termly Inclusion Newsletter for Spring 1. It contains great information on getting back into routines; a look at rewards and consequences and ways to engage your child in chatting about their school day.

Have a lovely weekend, take good care of yourselves. We look forward to seeing you on Monday, at 8.45am.

Kind regards, Miss Hurt
